RE: Example Mine and Reclamation  
Plan (MRP)  
Western Clay Company  
Limestone Mine  
ACT/041/004  
Sevier County, Utah

Dear Mr. Robison:

Pursuant to our July 19, 1982 phone conversation, please find the enclosed mine plan. As discussed, this plan is provided for your aid in the preparation of your MRP. This plan gives a fair estimate of the scope and detail typically provided to the Division necessary to comply with the Utah Mined Land Reclamation Act of 1975.

Also, as discussed, the week of August 2 looks good for an on-site visit. August 4 looks like the most favorable day.

Please contact me should any questions arise during preparation of your MRP.

Sincerely,

THOMAS L. PORTLE
